**Kettlebells and Core**- Learn how to safely and effectively master the basics of using a kettlebells. Our qualified instructor teaches proper form, engaging the correct muscles and ensuring a whole-body workout. This class is a great way to gain dynamic strength and cardio in one class.

**Pilates**—A relaxing, yet invigorating mat workout that strengthens and stretches every muscle in the core (other muscles too)! 45-minute class.

**Pilates w/Equipment**—Providing the foundations of Pilates principals with the use of weights, fitness balls, and Pilates circles to emphasize overall conditioning and focusing on core strength. 45-minute class.

**Restorative Yoga**- Restorative yoga will calm and reset your entire body and mind. The poses are held for longer time periods which allow the nervous system to transition and release stress and tension. We center of your breath and body - aligning the physical and mental by practicing stillness or gentle movement for a deeper slower practice. Using props assist in helping you to hold poses longer which allow for deeper states of relaxation. Think reboot for your body and mind!

**Slow Flow Yoga**- This is a gentle yoga class which incorporates standing, balance and seated poses. We work on gaining strength and growing in our flexibility. We move through the practice slowly and deeply sinking our movements to our breath. This allows for a deeply relaxing and restorative experience. All levels are welcome.

**Spin**- An aerobic exercise class that is appropriate for all fitness levels as intensity can be controlled by the individual participant. Clip-in cycling shoes are optional; but bring your water bottle!
