

## **Safety & Wellness**

Our mission continues to be to provide the best care for you, our guest. Our commitment remains constant to provide nurturing, quality, highly skilled spa/salon services.

We continue to monitor all current and trustworthy sources, most notably local and state health departments and the Centers for Disease Control and Prevention (CDC), for all new viral viruses, as well as any COVID-19 updates.

Your health and safety is of the utmost importance now and always.

## **Health and Wellness**

We continue to ask our guests and employee partners to continually assess your health and wellness as you enter the spa, as we are taking every precaution to ensure the health and safety of each spa guest and our employee partners is considered. Please assess your health and wellness to the best of your ability, and let us know if you are currently having or may have experienced any of the listed symptoms over the last fourteen (14) days:

**Fever | Fatigue | Dry Cough | Difficulty Breathing | Sore Throat | Loss of Smell or Taste | Skin Rash/Open Wounds**

We would be happy to reschedule your spa experience if you are currently experiencing any of the above symptoms to a later time to ensure you can enjoy your spa service.

### **Our commitment to cleaning standards:**

Our commitment is to provide “Flawless Service; Every Guest, Every Day.” As part of this commitment, we are continuing to pay special attention to the everyday details which extend to the parts of our operations guests do not see.

The below is not intended to be all-inclusive, but to offer an overview of how we are working to safeguard the health and wellbeing of its guests and employee partners.

- Our Employee Partners have been trained to execute in a highly detailed disinfecting process for all treatment rooms, salon stations and all public locations. We provide ample time for our Employee Partners to properly disinfect and prepare the treatment room/space for the next guest. Providing you a comfortable, nurturing and therapeutically beneficial service.
